EUT –Port View

EUT –Port View

This image shows the top view of the EUT power port. It features a black plastic housing with a silver-colored metal AC inlet and a ground symbol. To the left of the inlet is a black rocker switch with a white 'O' and 'I' marking. The text 'AC 100-240V' and '50/60Hz' is printed on the left side of the housing. A silver screw is visible at the top center of the housing.

EUT –Port View

This image shows the bottom view of the EUT power port. It features two gold-colored threaded pins protruding from the black plastic housing. To the right of the pins, the text 'AC 100-240V' and '50/60Hz' is printed. A yellow ruler is placed below the pins for scale, showing measurements in inches and centimeters.
