

LET'S GET STARTED! ALLEZ, C'EST PARTI!

DOWNLOAD the Braven Sport Active App and immerse your listening experience in customized audio and feature control.

TÉLÉCHARGEZ l'application Braven Sport Active et immergez votre expérience audio dans un contrôle des fonctionnalités et un son personnalisé.

POWER earbuds "on" by holding down the multi-function "o" button on the left unit until the laser lights illuminate. Earbuds will auto-enter pairing mode.

ALLUMEZ les oreillettes en maintenant le bouton multi-fonctions "o" enfoncé sur l'oreillette gauche, jusqu'à ce que l'éclairage laser s'active. Les oreillettes vont alors entrer automatiquement en mode synchronisation.

PAIR earbuds by toggling Bluetooth® "on" in your device settings. Tap "Flye Sport Power" to connect.

SYNCHRONISEZ es oreillettes en activant le mode Bluetooth® dans les réglages de votre appareil. Appuyez sur "Flye Sport Power" pour effectuer la connexion.

PLAY the most beautiful sound ever. **Music.**

JOUEZ le son le plus beau de l'univers. **De la musique.**

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF exposure statements

This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

IC Warning

This product meets the applicable Innovation, Science and Economic Development Canada technical specifications.

Ce produit répond aux spécifications techniques pertinentes d'Innovation, Science et Développement Économique applicables.

RF exposure statements

This Transmitter must not be co - located or operating in conjunction with any other antenna or transmitter.

Cet émetteur ne doit pas être localisé ou fonctionner avec d'autres antennes ou transmetteurs.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

CAN ICES-3 (B) /NMB-3(B)
