

LET'S GET STARTED!
ALLEZ, C'EST PARTI!

DOWNLOAD the Braven Sport Active App and immerse your listening experience in customized audio and feature control.

TÉLÉCHARGEZ l'application Braven Sport Active et immergez votre expérience audio dans un contrôle des fonctionnalités et un son personnalisé.

POWER earbuds "on" by holding down the multi-function "o" button on the left and right units until the laser lights illuminate. Earbuds will auto-enter pairing mode.

ALLUMEZ les oreillettes en maintenant le bouton multi-fonctions "o" enfoncé sur l'oreillette gauche et droite, jusqu'à ce que l'éclairage laser s'active. Les oreillettes vont alors entrer automatiquement en mode synchronisation.

PAIR earbuds by toggling Bluetooth® "on" in your device settings. Tap "Flye Sport Glo" to connect.

SYNCHRONISEZ les oreillettes en activant le mode Bluetooth® dans les réglages de votre appareil. Appuyez sur "Flye Sport Glo" pour effectuer la connexion.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF exposure statements

This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

IC Warning

This product meets the applicable Innovation, Science and Economic Development Canada technical specifications.

Ce produit répond aux spécifications techniques pertinentes d'Innovation, Science et Développement Économique applicables.

RF exposure statements

This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Cet émetteur ne doit pas être localisé ou fonctionner avec d'autres antennes ou transmetteurs.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
CAN ICES-3 (B) /NMB-3(B)

To prevent possible hearing damage, do not listen at high volume levels for long periods.

RECYCLING
This product bears the selective sorting symbol for Waste electrical and electronic equipment (WEEE). This means that this product must be handled pursuant to European directive 2012/19/EU in order to be recycled or dismantled to minimize its impact on the environment.
User has the choice to give his product to a competent recycling organization or to the retailer when he buys a new electrical or electronic equipment.

► CE Marking is not mandatory

► Safety information: Hearing Safety , Battery Usage and temperature

► Intended Use;Component & Accessories

► Frequency range and max transmit power

► Simplified EU Declaration of Conformity (if the full DoC will not packaged with the product)

► Other information – Can not shown on the label...

IC STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device is compliance with RF field strength limits, users can obtain Canadian information on RF exposure and compliance.

Le présent appareil est conforme de ce matériel aux conformités ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité d'acquérir les informations correspondante.
