

说明书/Eclarity RIC/出口/V1.0
材质:128克双铜纸
尺寸:90x152mm
工艺要求:四色正反面印刷
页数:两面一页

⚠

WARNING

•

INGESTION HAZARD: This product contains a button cell or coin battery.

•

DEATH or serious injury can occur if ingested.

•

A swallowed button cell or coin battery can cause **Internal Chemical Burns** in as little as **2 hours**.

•

KEEP new and used batteries **OUT OF REACH of CHILDREN**

•

Seek immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.

!

Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate.

Even used batteries may cause severe injury or death.

Call a local poison control center for treatment information.

The product contains non-replaceable button/coin cell batteries.

Battery type: M1040S2. Nominal voltage 3.85V.

Do not force discharge, recharge, disassemble, heat above 45°C or incinerate.

Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.

FCC statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: Z9G-EDF290

FCC Regulatory Compliance

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF Exposure Compliance

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

CALIFORNIA WARNING:

Can expose you to Bisphenol A, a reproductive toxicant. See www.P65Warnings.ca.gov.
