

RESTRICTED ACCESS OF EQUIPMENT AND DOCUMENTATION NOTICE

This Restricted Access of Equipment and Documentation Notice is to inform FCC that access to equipment and related documentation supplied by **8 devices** is to be restricted to only authorized users by means to ensure the security of the equipment and confidentiality of related documentation at all times, and only designated professionals shall be allowed to maintain or service the equipment. This notice includes, but is not limited to, **OEM Instructions** to be held confidential and out of the public domain.

The modular can be installed or integrated in mobile or portable devices. This modular complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. If the FCC identification number is not visible when the module is installed inside another device, then the outside of the device into which the module is installed must also display a label referring to the enclosed module. This exterior label can use wording such as the following: Contains FCC ID: Z9W-KOM
