

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Exposure to Radio Frequency Radiation

The radiated output power of the device is below the FCC and Industry Canada radio frequency exposure limits. The Product must not be co-located or operating in conjunction with any other antenna or transmitter. Any changes or modifications made to the device that are not expressly approved by the manufacturer, may void the user's authority to use this device.

Exposition au rayonnement radioélectrique

La puissance de sortie rayonnée de l'appareil est inférieure aux limites d'exposition aux fréquences radioélectriques de la FCC et d'Industrie Canada. Le Produit ne doit pas être co-situé ou fonctionner en conjonction avec une autre antenne ou émetteur. Toute modification ou modification apportée à l'appareil qui n'est pas expressément approuvée par le fabricant peut annuler l'autorisation d'utiliser cet appareil.

KOPIN DISPLAY CORPORATION LIMITED WARRANTY

These terms and conditions apply to Your purchase of any hardware ("the Product") manufactured by or for Kopin Display Corporation ("Kopin"). Any reference in this Limited Warranty to the term "You" refers to the original buyer of any Product.

1 Warranty Terms

a) Kopin warrants to You that the Product will be free from defects in materials and workmanship under normal and intended use for one (1) year from the original date of purchase by You (the "Warranty Period"). The Limited Warranty is not transferable by You. All subsequent purchasers acquire the Product "as is" without benefit of this Limited Warranty. Where You purchased the Product from Kopin's website or other online vendors, the date of purchase is the date of the purchase invoice issued to You by Kopin or such online vendors by email. Where You purchased the Product from an authorized reseller at a physical location, the date of purchase is the date of the invoice issued to you at the physical location.

b) In the event Kopin determines that the Product is defective, Kopin may in its discretion: (i) repair the defective part of the Product free of charge with new or refurbished parts; (ii) replace the defective Product with a comparable new or refurbished product; or (iii) in the event that Kopin is unable to repair or replace

the Product as provided under (i) or (ii), pay a proportionate refund of the purchase price You paid for the Product based on Kopin's good faith estimate of the portion thereof attributable to Kopin. Where the Product is repaired or replaced during the Warranty Period, except as otherwise prohibited by applicable laws, the warranty for the repaired or replaced Product, as applicable, will expire upon the expiration of the original Warranty Period or thirty (30) days from the date You received the repaired or replaced Product, whichever is longer. Any warranty service or support under this Limited Warranty is conditioned upon Your return of the Product, with free and clear title, to Kopin or its authorized service provider. Where there has been a replacement of the Product, the Product or its parts, as provided pursuant to the Limited Warranty, becomes Your property and the Product being replaced becomes Kopin's property. Kopin may condition a refund or replacement on Your returning the product or require You to provide a credit card number, which will be charged only if You fail to return the Product.

c) if the Product was not purchased from Kopin or its authorized retailers;

d) to damages caused by misuse, moisture or liquids, proximity or exposure to heat, accident, abuse, neglect, misapplication, Your failure to abide by the use, safety, and maintenance instructions contained in the packaging of the Product, including, without limitation, a failure to follow such instructions regarding use of the Product with any other equipment, peripherals, or accessories (e.g. goggles) authorized by Kopin to be used with the Product, or repairs or modifications made by anyone other than Kopin or its authorized service providers;

e) to physical damage to the Product;

f) to any Product where the serial number has been removed or that has been damaged or rendered defective as a result of misuse, abuse, contamination, improper or inadequate maintenance or calibration, or other external causes;

g) to any equipment other than the Product;

h) to malfunction or defects resulting from the use of the Product in conjunction with accessories, products, services or ancillary or peripheral equipment not expressly approved or provided by Kopin, and where it is determined by Kopin that such malfunction or defect is not the fault of the Product itself; and

i) to any software, whether or not supplied by Kopin.

the Product as provided under (i) or (ii), pay a proportionate refund of the purchase price You paid for the Product based on Kopin's good faith estimate of the portion thereof attributable to Kopin. Where the Product is repaired or replaced during the Warranty Period, except as otherwise prohibited by applicable laws, the warranty for the repaired or replaced Product, as applicable, will expire upon the expiration of the original Warranty Period or thirty (30) days from the date You received the repaired or replaced Product, whichever is longer. Any warranty service or support under this Limited Warranty is conditioned upon Your return of the Product, with free and clear title, to Kopin or its authorized service provider. Where there has been a replacement of the Product, the Product or its parts, as provided pursuant to the Limited Warranty, becomes Your property and the Product being replaced becomes Kopin's property. Kopin may condition a refund or replacement on Your returning the product or require You to provide a credit card number, which will be charged only if You fail to return the Product.

3 Returning the Product

Kopin is the provider of this Limited Warranty. Kopin's warranty contact information can be found at www.solos-wearables.com. Warranty claims must be processed through Kopin and any other product related questions should be addressed directly to Kopin. The addresses and customer service contact information for Kopin can be found in the documentation accompanying your product and on the web at our global website solos-wearables.com. Warranty is only valid with proof of purchase of the Product, in the form of the purchase invoice sent to You by Kopin or an invoice from an authorized seller of the Product, to evidence that You are the original purchaser of the Product. In the event You return the Product to Kopin outside of the Warranty Period, Kopin's standard repair terms and charges may apply. Kopin may limit the Limited Warranty to the country where Kopin or its authorized seller sold the Product to You. You may be responsible for shipping, handling, or other costs if You request warranty services not in the country of original purchase.

Generally if your product needs a hardware repair please repack the unit in its original packaging or equivalent packaging material to protect the product for return shipment. Kopin is not responsible for

damage caused upon return shipment.

Kopin will provide you with return shipping instructions from your locations.

Those instructions will include that:

• You first obtain a Return/Repair Material Authorization (RMA) Number. This number helps us quickly track the status of your repair

• Write the RMA number clearly on the outside of the box. Failure to do so may result in your package being refused or cause delays in processing your repair.

• Address your package to the address given to you by our Technical Support Center.

• Be sure to use a package-shipping service that is able to track and insure your shipments.

Please review the Product use, maintenance, and safety instructions contained in the packaging, as well as the user manual online at www.solos-wearables.com. Returns, repairs, or replacements of parts and/or Products may be subject to shipping, handling, replacement and/or restocking fees.

4 Data Recovery

You acknowledge and agree that Kopin will not be responsible for any data, software, applications, or information that may be damaged, lost, or destroyed during the course of evaluating, repairing, or replacing the Product. This Limited Warranty also does not cover backup, recovery, and reinstallation of Your data on the Product. You should backup all data and applications on Your device before returning it.

5 Exclusive Remedies

The remedies in this Limited Warranty are the exclusive remedies provided to You under this Limited Warranty. To the extent permitted by applicable laws, this Limited Warranty is in lieu of all other warranties or conditions, express or implied.

EXCEPT AS SET OUT IN THIS LIMITED WARRANTY AND AS PERMITTED BY APPLICABLE LAWS, KOPIN SPECIFICALLY DISCLAIMS ALL REPRESENTATIONS, WARRANTIES, ENDORSEMENTS, AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF TITLE OR BUSINESS REVENUE OR EARNINGS, LOST DATA, LOSS OF OPPORTUNITY, AND DAMAGES CAUSED BY DELAYS OR A FAILURE TO REALIZE EXPECTED SAVINGS) ARISING FROM OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE PRODUCT,

BY APPLICABLE LAW,

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. SECTION 5 IS NOT APPLICABLE TO RESIDENTS OF QUEBEC.

7 Privacy

Information about You that Kopin receives or collects (including, without limitation, Your personal contact information and financial information such as credit card information) will be used, processed, transferred, stored, and disclosed in accordance with Kopin's privacy policy (available at www.solos-wearables.com/privacy) for the purpose of resolving problems with the Product and to provide and perform the services relating to the warranty described in this Limited Warranty.

8 Governing Law

This Limited Warranty will be governed by and interpreted in accordance with the laws of the commonwealth of Massachusetts and the federal laws of the USA as if made and performed by and between parties situated in such province and without regard to the conflict of law rules that would apply a different body of law.

9 Severability

Each provision of this Limited Warranty is declared to be a separate and distinct

promise and to be separable from all other such separate and distinct promises. If any promise, provision or part thereof is determined by a court of competent jurisdiction or other constituted legal authority to be void, unenforceable or unreasonable in whole or in part, it will not be deemed to affect or impair the enforceability or validity of any other promise or provision in this Limited Warranty or any part thereof and the said court or other constituted legal authority will have the authority to limit such promise or provision as it deems proper.

10 Waiver

The failure by Kopin to insist on strict compliance with any provision of these terms and conditions will not be deemed to be a waiver of such provision, and a waiver of any provision of these terms and conditions at any one time or times will not be deemed to be a waiver for any other time. The failure of Kopin to assert its rights in a timely fashion for any of its rights or remedies under these terms and conditions will not be interpreted as a novation or a waiver of any subsequent or continuing breach and will not serve to modify, alter or restrict the right of Kopin to assert any rights at any time thereafter.

11 Language

Except to the extent prohibited by applicable law, You acknowledge and agree that that this Limited Warranty and any and all related documents be drawn up in English.

3 BEFORE YOU USE SOLOS

When using Solos always ensure that you keep your eyes focussed on the road and your surroundings. Solos is designed as to provide “information snacking”, that is a quick glance for information and you should not spend lengthy periods looking at the display while in motion. Ensure that you position the display such that it does not obscure your vision.

Solos should not be used for direct observation of the sun or other bright light sources. Solos should not be used while driving, and should not be used if your field of view is affected or if you cannot see clearly. Solos is not intended to be used for impact protection in sports or industrial uses, although the lenses do meet relevant impact resistance safety tests.

FCC Compliance

Section 15.21 requires that in the user manual, the user shall be cautioned that changes / modifications not approved by the responsible party could void the user's authority to operate the equipment.
For a Class B digital device or peripheral, the instructions furnished the user shall include the following or similar statement, placed in a prominent location in the text of the manual (source):

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The FCC has granted an Equipment Authorization for this model device with...
