Subject: FCC Class II Permission change for FCC ID: ZBNC18-20

Original Grant Date: 2011-03-07

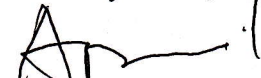

Dear Sir/Madam,

This is to request a Class II permission change to our Induction cooktop, Model C18-20 (FCC ID: ZBNC18-20), the device is identical to the previously certified except for the changes as below for details;

| Part         | Original                      | New                          |
|--------------|-------------------------------|------------------------------|
| MAIN PCB     | YLS-EF PCB                    | EG PCB                       |
|              | without sheet-contact process | sheet-contact process        |
|              | MKP-X2 at C16 site            | MKP-X2 at C4 site            |
|              | Chokes at L3 site             | Chokes at L2 site            |
| Control PCB  | Control winding is 4 needles  | Control winding is 6 needles |
| Thermal Fuse | without Thermal Fuse          | Added Thermal Fuse           |
|              |                               |                              |

Compare to original C18-20, new model is C18-20 with MAIN PCB, control PCB changed and add the thermal fuse.

Sincerely Yours,

Typed/Printed Name: April Chan
