Fentes cartes SD et Micro SD | Ranura de Tarjeta SD & MicroSD | SD und Micro SD Kartensteckplätze | Slot per schede SD e Micro SD | SD & Micro SD カードスロット

7. USB Type-A Charging Port (Output Max. 12W)

Port de données USB Type-A | Puerto de datos USB tipo A | USB-Datenanschluss Typ A | Porta dei Dati USB Type-A | USB TYPE-Aデータポート

IMPORTANT

IMPORTANTE | IMPORTANTE | WICHTIG | IMPORTANTE
重要

- Do not place any metallic objects onto the charger.
- Ne placez aucun objet métallique sur le chargeur.
- No coloque ningún objeto metálico sobre el cargador.
- Legen Sie bitte keine Metallgegenstände auf das Ladegerät.
- Non posizionare oggetti metallici sul caricatore.
- 充電器の上に金属物を置かないでください。
Before using your Quatro Wireless Power Bank for the first time, fully charge it (so that pressing the charge status button lights all four status LEDs).
- To preserve lifespan, use and recharge your battery at least once every 4 months
- Keep your battery dry and away from moisture and corrosive materials.

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
FCC Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment .This equipment should be installed and operated with minimum distance 20cm between the radiator& your body.
ISED Warning
This device complies with Innovation, Science, and Economic Development Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1)this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d' Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
(1) l'appareil nedit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance.The minimum distance from body to use the device is 20cm.
Le présent appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquérir les informations correspondantes. La distance minimale du corps à utiliser le dispositif est de 20cm.
