RE: Limited Modular Approval FCC ID: ZI8EA206

We, BossPac Engineering and Technology Inc. (BossPac), are applying for a Limited Modular Approval, FCC ID: **ZI8EA206** in accordance with 47 CFR 15.212(b). Limited Modular Approval applies since the device does not have its own power supply regulation and cannot be tested in a stand-alone mode. The module is only to be integrated into host products manufactured by BossPac and will not be made publicly available to third party integrators. The host products will not be made publicly available and are to be Professionally installed. BossPac plans to integrate the EA206 module into the following hosts.

NEST2, NEST3, DRC-Gateway

Additional host information accompanies this application. Thank you for your consideration.

Sincerely,

Anthony Bastiaansen
