Confidentiality Request

FCC ID: ZKCICRB-9921-2025

Dear Sir or Madam,

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, Kronegger hereby requests permanent confidential treatment of information accompanying this application as outlined below:

Schematics
Bill of Materials/Parts List
Block Diagrams
Theory of Operation
User Manual (will be provided to clients only)

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

Sincerely,

Company Officer: Thomas Feibel

Telephone Number: +43 316 40 31 25 -30

Email: thomas.feibel@kronegger.com

3) The internal photos and/or user's manual exhibits may be given Long-Term Confidentiality under the following **special conditions**:

b) User's manual may be held confidential only when the manual contains proprietary technical information intended for professional technicians obligated under a NDA. All sales and distribution of the user's manual must be under a NDA that restricts the disclosure of the information.

➔ Kronegger GmbH only sells this product to business customers/system integrators – a NDA is mandatory.

c) In the application cover letter requesting Long-Term Confidentiality the following additional description (in item 7) and the NDA exhibit is required:

1. Describe in detail how internal photos and/or user's manual information are controlled to prevent them from becoming public or disclosed to unauthorized persons.

➔ The user manual contains confidential information from NXP Semiconductors that are only available under NDA – Every customer has to sign an NDA with Kronegger GmbH before detailed information is provided.

2. Describe how public access is restricted for products serviceable by professional designated technicians.

➔ The product does not have any serviceable components

3. A statement that all sales of the non-consumer device will be under a NDA to include third party sales and that the final user of the device is subject to the NDA. (may not be applicable if device is consumer device)

➔ The final user can have and use the product as part of a bigger system without NDA. The user manual however is not provided to the final user, but only to business customers/system integrators under NDA.

4. Provide an example of the NDA between the grantee and a purchaser. The request for confidentiality must include the key terms of the NDA to ensure consistency between the two.

➔ An example NDA is attached on the next page.

NDA Kronegger 17.2.2011

Non Disclosure Agreement

between Aventra, Svärdvägen 21, 182 33 Danderyd, Sweden

and

Kronegger GmbH., Parkring 1, A-8074 Grambach, Austria („Kronegger“).

The parties mentioned before intend to set up a closer relationship in developing and selling RFID products. In order to protect confidential information, the parties hereby agree as follows:

- a) The confidentially exchanged data and information is used exclusively for mutual projects.
- b) None of the parties will disclose confidential information to any third party.
- c) Each party takes care that confidential information does not leak to third parties or is used otherwise.
- d) At the end of cooperation confidential information will be returned or destroyed.
- e) Excluded from this agreement is publicly known information as well as information known to the other party if it can be provided in written dating back before signing this agreement.
- f) The NDA expires 5 years after handing over confidential information.

Any interpretation of this agreement shall be according to the commercial intent. Place of jurisdiction is the country of the Defendant.
