

! WARNING/CAUTION

- This light emits an extremely powerful beam equivalent to auto-mo-bile headlight so it may cause a hazardous situation depending on the beam angle used.
- Be sure to direct the light beam downward so the driver approaching does not get dazzled.
- Do not use high mode on public roads.
- Before your trip, please make sure the light is firmly mounted to the bracket, it lights up, and the light is not blocked by baggage, etc.
- Do not stare at the light when it is illuminating. Otherwise it may damage your eyesight.
- Do not place it within children's reach.
- In preparation for unexpected battery shutoff, we recommend you carry a spare light.
- This product is water-resistant under normal daily use and can be used in the rain. However, do not intentionally submerge it in water.
- If the light unit or parts become dirty with mud, etc., clean with a soft cloth which is moistened with mild soap. Never apply paint thinner, benzine or alcohol; damage will result.
- This unit is shipped with a small charge to check the light. Be sure to charge it before use, according to the instructions "HOW TO CHARGE".

The mounting buckle and/or tension screw, depending on the mount you are using.

FCC ID: ZLT-RECONHL2600 IC: ZLT-RECONHL2600
Operating Frequency: 2457MHz
Transmitter power: <4dBm

Product name: Bicycle light
Model name: Recon plus HL 2600
FCC ID: ZLT-RECONHL2600
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This device complies with FCC radiation exposure limits set forth for an uncontrolled environment. In order to avoid the possibility of exceeding the FCC radio frequency exposure limits, human proximity to the antenna shall not be less than 20cm (8 inches) during normal operation.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help.

PMN/ Product name: Bicycle light

CAN ICES-3 (B)/NMB-3(B)
Ce dispositif se conforme aux RSS énoncés de licence d'Industrie Canada.
L'opération est assujettie aux règles suivantes:

- (1) Ce dispositif ne doit pas causer d'interférence et
- (2) Ce dispositif doit accepter les interférences, même celles causées par la mauvaise opération du dit dispositif.

Ce dispositif rencontre toutes les exemptions de la section 2.5 du RSS-102 sur les limites d'évaluation de routine et se conforme au RSS-102 exposition au RF, pour plus de renseignements contactez l'information canadienne sur l'exposition et conformité au RF

RED Declaration of Conformity (DoC)
Unique identification of this DoC:
We, Giant Manufacturing CO., Ltd.

declare under our sole responsibility that the product:
product name: Bicycle light
trade name: GIANT
type or model: Recon plus HL 2600
relevant supplementary information:
(e.g. lot, batch or serial number, sources and numbers of items)

to which this declaration relates is in conformity with the essential requirements and other relevant requirements of the RED Directive (2014/53/EU).
The product is in conformity with the following standards and/or other normative documents:
HEALTH & SAFETY (Art. 3(1)(a)): EN 60598-2-8:2013, EN 60598-1:2015, EN 62493:2015, EN62479:2010
EMC (Art. 3(1)(b)): Draft EN 301 489-1 V2.2.0:2017, Draft EN 301 489-17 V3.2.0:2017; EN 55015:2013+A1:2015; EN 61347:2009
SPECTRUM (Art. 3(2)): EN 300 328 V2.1.1:2016
(title and/or number and date of issue of the standard(s) or other normative document(s))
OTHER (incl. Art. 3(3) and voluntary specs):
(title and/or number and date of issue of the standard(s) or other normative document(s))
Limitation of validity (if any):
