Date: **August 25, 2025**

Declaration

To whom it may concern,

This is a WLAN/Bluetooth combination antenna with **FCC ID: ZLE-PTHA02G**.
This WLAN/Bluetooth co-existence mechanism is to ensure that the WLAN and
Bluetooth transmitters would not simultaneously operate. Therefore, WLAN and
Bluetooth antenna in **FCC ID: ZLE-PTHA02G** should not be considered to be able
to transmit simultaneously.

Though the users can use WLAN and Bluetooth simultaneously, but the real
situation is that WLAN and Bluetooth are used by time sharing and no overlap
transmission.

Should you have any question, please have my best attention.

Sincerely yours,

Name: Alex Ma
