

※ FCC ID Label Form

Note: The FCC ID shown will be readily visible at the time of purchase.

Note!

We, LG Electronics MobileComm USA, state that our device, FCC ID ZNFA380, has a battery. However, the battery will not be placed in the battery compartment when delivery, so it is visible to the users as they purchase the product and install the battery. Additionally, the label is permanently attached. The label it's attached to the EUT by an adhesive.

The adhesive is permanent type with strong strength.

The label is located back of the phone. When the user install the battery, the user can see the label.
