

※ FCC ID label form

The FCC ID shown will be readily visible at the time of purchase.

* Note!

We, LG Electronics MobileComm USA, state that our device, FCC ID: ZNFD520, has a battery.

However, the battery will not be placed in the battery compartment when delivery, so the label is visible to the users as they purchase the product and install the battery.

Additionally, the label is attached permanently to the EUT by an adhesive since the adhesive is a permanent type with strong strength.
