

LG Electronics USA
1000 Sylvan Avenue
Englewood Cliffs, NJ 07632

Date: **July 9, 2014**

UL Verification Services Inc.
(Formerly UL CCS)
47173 Benicia Street,
Fremont, CA 94538

SUBJECT: LG Electronics MobileComm USA
FCC ID: ZNFD725
Original Grant date: July 3, 2014

To whom it may concern:

We, LG Electronics MobileComm USA, declare that the HAC rating for the final version has been changed from M3T4 to M3T3.

The version previously certified with HAC rating, M3T4 has never been marketed in the USA.

Additionally, the only final version certified with HAC rating, M3T3 will be marketed in the USA.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacob Cho'.

Jacob Cho
Director
On behalf of LG Electronics MobileComm U.S.A, Inc.
