Date: March 14, 2016

PCTEST TCB/CB

Div. of PCTEST Engineering Lab., Inc.

6660-B Dobbin Road

Columbia, MD 21045

SUBJECT: **LG Electronics MobileComm USA**
FCC ID: ZNFLS992

To Whom It May Concern:

We, LG Electronics MobileComm USA, hereby confirm that the battery/antenna module with this device requires unique and exact authentication and only operates with the subject LG phone.

There is CM module only available for this device and no other 3rd party battery/antenna will work with the device due to proprietary authentication to LG.

The Operational Description in this filing provides confidential details to explain how this device limits users from using other unauthorized battery/antenna modules.

SW upgrade (ex. OS upgrade) will be utilized by the device. The users will be able to update their OS through LG only. Furthermore, this SW is not affected by a software update from a non-LG source.

Should you have any questions or comments concerning the above,
please contact the undersigned.

Sincerely,

JCLee
