

Description of E-Label on the ZNFM322

■ FCC ID is applied by E-Label on the device

■ FCC ID on the packaging label

FCC ID will be applied to the packaging label.

Note!

We, LG Electronics MobileComm USA, state that at the time of purchase, the FCC ID is readily and physically visible to the purchaser on the packaging Label per 2.925(d). So, The FCC ID will be able to survive normal shipping and handling so it is visible for inspection at the time of import. We have programmed the e-label and it is not able to be modified by any third party. Also, SIM Card in is not required to access the FCC ID number.

■ Instruction of E-Label on the user manual
