1. Limited Warranty. Striiv, Inc. ("Striiv") warrants to the end user customer ("Customer") of the Striiv electronic device ("Product") that the Product hardware components ("Product Hardware"), when used in accordance with the documentation furnished by Striiv ("Documentation"), will be free in all material respects of defects in materials and workmanship ("Limited Warranty"), for a period of one (1) year after the date of purchase by Customer of the applicable Product from Striiv or Striiv authorized reseller (the "Warranty Period"). If the Product Hardware (or any component or portion thereof) fails to conform to the Limited Warranty, Striiv, at its own expense and as its sole obligation, and Customer's sole and exclusive remedy, for breach of this warranty will either (at Striiv sole discretion) (a) repair or replace any defective Product Hardware; or (b) accept the return of the Product incorporating the defective Product Hardware and refund to Customer the fees actually paid by Customer to Striiv or Striiv authorized reseller for such Product. Replacement Products and Product Hardware may be refurbished and/or different models will be supplied, but will be functionally equivalent to the Products or Product Hardware being replaced. When a Product or Product Hardware is replaced, any replacement item becomes Customer's property and the replaced Product or Product Hardware becomes Striiv property. Any Product that has either been repaired or replaced under this Limited Warranty will have warranty coverage for the longer of ninety (90) days or the remaining Warranty Period. This Limited Warranty is transferable from Customer to subsequent Product owners, but the Warranty Period will not be extended for any such transfer.

2. Process. Striiv warranty obligations are conditioned on Customer (a) notifying Striiv using the customer care contact information available at Striiv website ([www.striiv.com/customercare](http://www.striiv.com/customercare)), during the Warranty Period, of any failure of The Product to meet the Limited Warranty, including a detailed description of such alleged failure and proof of purchase information as requested by Striiv, (b) otherwise complying with Striiv then-current return merchandise authorization guidelines (if any), and (c) shipping the affected Product, at Customer's cost, to Striiv or Striiv designated third party facility for repair or replacement. Before Customer ships Customer's Product to Striiv for warranty service. Customer is responsible for making a separate backup copy of the contents of the Product. THE CONTENTS OF THE PRODUCT MAY BE DELETED AND THE STORAGE MEDIA REFORMATTED IN THE COURSE OF WARRANTY SERVICE. Customer's Product will be returned to Customer configured as originally purchased, subject to applicable updates. Customer will be responsible for reinstalling all other software programs, data and passwords. Recovery and reinstallation of software programs and user data are not covered under this Limited Warranty. Striiv will have no warranty obligations with respect to a returned Product, if it determines, in its reasonable discretion, after analysis of that returned Product, that the Product is subject to an Exclusion (defined below). Striiv will bear all costs of return shipping to Customer, except, if (i) the Product is subject to an Exclusion, or (ii) Customer's return shipping address is not located in a country in which Striiv, or Striiv authorized reseller(s), distributes Products, then Customer will bear all shipping costs.

3. Exclusions. Striiv will have no warranty obligation with respect to the following circumstances ("Exclusions"): (a) Product Hardware that has no defects in materials or workmanship, (b) Product non conformities that Striiv is unable to reproduce, (c) Products sold as "samples" or "AS IS", (d) Products that have been subject to: (i) any modifications, alterations, repair, or servicing by any party other than Striiv or Striiv authorized representatives; (ii) handling,

storage, installation, testing, maintenance, or use not in accordance with the applicable Documentation; (iii) abuse, negligence, neglect, accidents, or misuse; (e) hardware not manufactured or supplied by Striiv; (f) cosmetic damage; (g) normal wear and tear; (h) any breakdowns, fluctuations, or interruptions in electric power or the telecommunications network; (i) performance of the Product Hardware in combination with other items not manufactured, approved, or supplied by Striiv; or (j) any acts of God, including fire, flood, tornado, earthquake, hurricane, excessive snow, lightning; or (k) other disasters such as war, riot, or insurrection.
