

Ad Hoc Mode Declaration

We, the undersigned company
Varian Medical Systems Int.
1678 Pioneer Road
Salt Lake City, UT 84104

Declare that:

Product description: Paxscan 4336W v4

Type designation: Low Power Device

Brand: Varian

FCC ID: ZZ6-RTL8812AU

1. The EUT doesn't have Ad Hoc Mode function.
2. In addition, the frequency selection feature is disabled by firmware for devices marketed to the US. The product meets all other requirements specified in Part 15E Section 15.407 and no configuration controls are provided to change the frequency of operations outside the grant of certification for US operation.
3. Country code selection is disabled.

Thank you
Sincerely,
