

Camino International Limited

Request for Class II Permissive Change

FCC ID: **ZZX555**

Date: Dec 23 2016

TO: Federal Communication Commission

Please be notified that we, the undersigned, **Camino International Limited** declare that the reasons for this Class II permissive change are as below:

The circuit design, PCB layout, electrical components used, internal wiring and functions were identical for the original sample, The only difference between the original sample and the new one is battery capacity. The original battery is DC 3.7V 850mAh while the new sample battery is DC 3.7V, 1000mAh.

Thank you.
Sincerely.
