The Touch Down Club has a parking garage in the basement. You also get a reduced parking rate if you get your ticket stamped at the dinner. The Club always presents a very nice dinner for the Association and we are sure that this one will be just as **tasty**. Arrangements are being implemented to provide an interesting meeting, so fill out the coupon, enclose your check, and mail it in.

Last years dinner was a lot of fun with 52 persons present. (see pictures) The attendees traveling the longest distance were Clint and Beulah Barrick from Mesa, Arizona. Jerry Freeman was elected the new Acting Chief and Bill Grenfell gave the Treasurer's report. (Current balance \$1358). James McKinney was elected to the Executive committee. The program consisted of a video presentation concerning the little realized affect that computers are beginning to have on our lives. As usual the program wound up with the drawing for door prizes.

Our thanks go to Dick Smith for a fine set of pictures, to the FCC Staff for arranging the program and to our friend Harry Sells who has sponsored us for many years at the Club.

At the Commission, James McKinney has moved from the Field Operations Bureau to the Private Radio Bureau, and Dick Smith is now Chief of the Field Operations Bureau.

Retirees keep in touch with each other. Some of them check into the "Old Goats Net" (7210 KHz) 7:30 to 9:30 AM Eastern Time. One morning Chief George Sterling checked in from Maine. In this communication and in a follow up letter he reported that his health was good, but that they did not plan to migrate to Florida this year. Another radio net used particularly for the longer distances is the "Seven Day Weekenders" which operates Monday through Friday at 3:30 PM Eastern Time on 14,248 KHz.

Have a good day! We will see some of you in April.

Sincerely,

R I D Association Executive Committee

Watch Officer; Bill Grenfell, Treasurer;  
James McKinney and A. Prose Walker
