The technical drawing illustrates the TrackSense Frigo UX SKY Combi unit from multiple perspectives:

- Front View (Left):** Shows the unit's profile with a height dimension of 95,4 mm.
- Side View (Middle):** Provides detailed vertical dimensions: 84,4 mm for the upper section, 104,4 mm for the lower section, and a total height of 198,8 mm. It also shows horizontal dimensions at the base: Ø25,0 mm and Ø30,0 mm.
- Top View (Right):** Displays the circular top surface with a diameter of Ø19,0 mm.
- Bottom View (Far Right):** Shows the underside of the unit with mounting feet and a central connection point.

All dimensions are in mm.
