Re: Model 3300 LATITUDE™ Programming System: External Photos

The Guidant Corporation (a wholly owned subsidiary of Boston Scientific Corporation doing business as Boston Scientific Cardiac Rhythm Management) Model 3300 LATITUDE™ Programming System is a programmer/recorder/monitor (PRM) for BSC cardiac rhythm implantable pulse generators such as pacemakers and defibrillators. The LATITUDE™ Programming System is used by trained medical professionals in hospitals and clinics during CRM device implantation and follow-up procedures.

The following are external photos of the Model 3300 LATITUDE™ Programming System. Pictures are provided with a single-sided ruler and a square (two-sided ruler).
