

Product name: **R1 Humanoid Robot**
Model number: **R1 EDU**

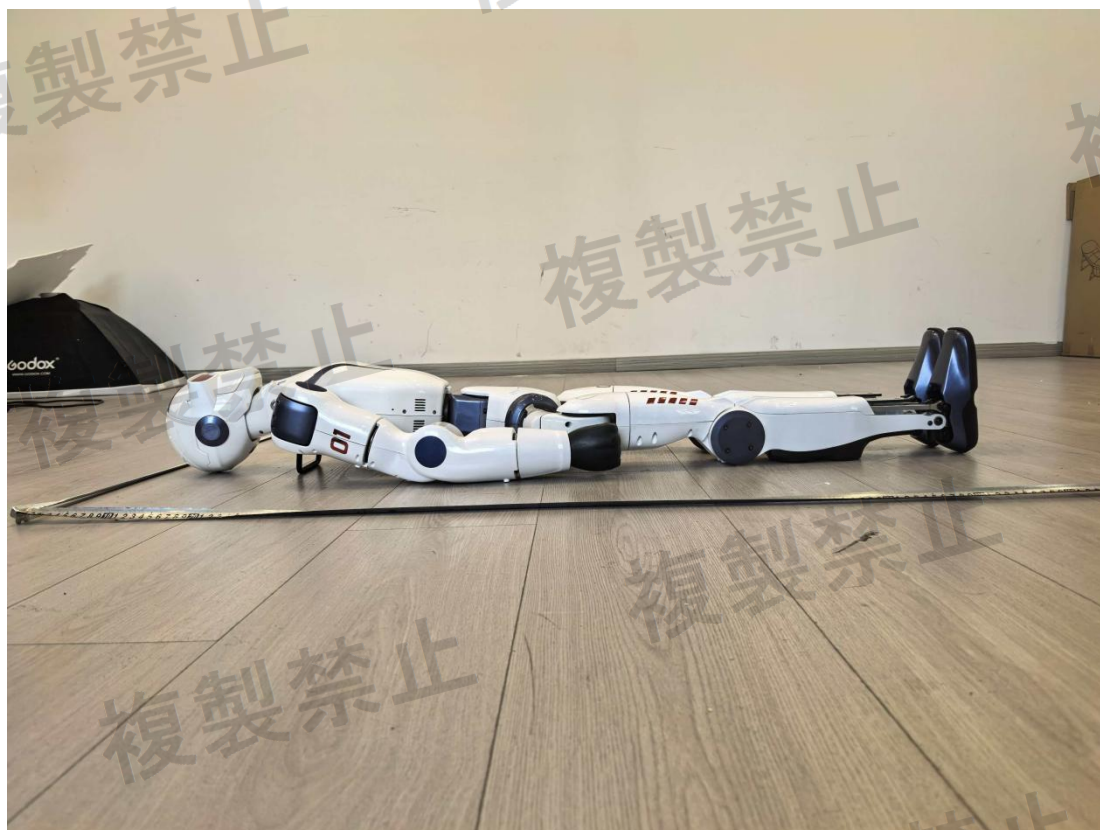

Note: The only external difference between R1 EDU and R1, R1 AIR is that the R1 EDU has an extra Orin Board on the back. And they would have the same appearance if the extra Orin Board un-installed.

R1 EDU has two versions on appearances colors, one is Blue & White, the other is Red & Golden. No other differences.
