A circular object, possibly a lens or a small mirror, is shown against a blue background. A ruler is placed horizontally below the object, and a vertical ruler is placed to its right. The label "Buddy Y2-043" is printed vertically on the right side of the image. The circular object has a dark, reflective surface with a bright, elongated reflection at the bottom center. The ruler on the right shows measurements in millimeters, ranging from 0 to 100. The ruler at the bottom shows measurements in centimeters, ranging from 0 to 10.
