廠牌: Sony, 型號: Xperia C4 (E5353)

The image shows a Sony Li-ion battery with a yellow frame and white label. The label contains the following text:

- Model: F712013-2013
- Capacity: 1500mAh
- Voltage: 3.7V
- Chemistry: Li-ion
- Manufacturer: Sony Electronics Inc.
- Country of Origin: Made in China
- Safety symbols: Recycle, No fire, No short circuit, No disassembly
- Barcode: 4514512121212

A ruler is placed below the battery for scale, showing measurements in centimeters.
