Internal View of EUT-3

The image shows the internal view of the EUT-3 circuit board. The board is green and populated with various electronic components, including a large black rectangular component in the center, several integrated circuits, and passive components like capacitors and resistors. A wooden ruler is placed horizontally below the board, showing a scale from 0 to 13 cm. The board is placed on a blue background.

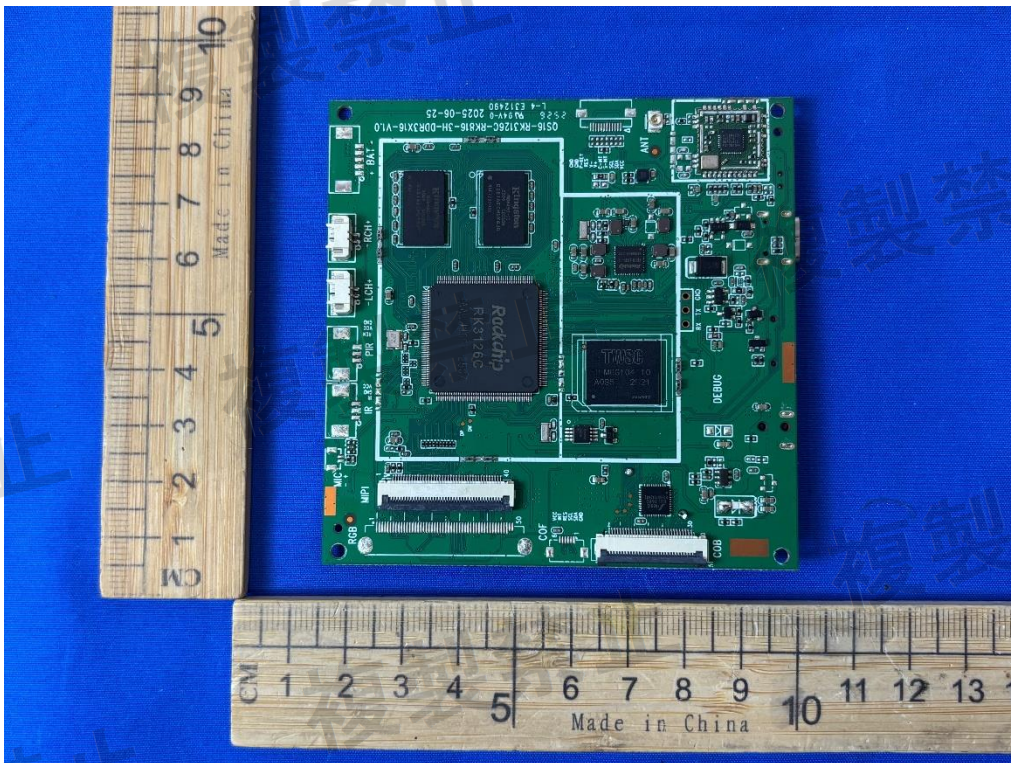

Internal View of EUT-4

The image shows the internal view of the EUT-4 circuit board. The board is green and populated with various electronic components, including a large black rectangular component in the center, several integrated circuits, and passive components like capacitors and resistors. A wooden ruler is placed horizontally below the board, showing a scale from 0 to 14 cm. The board is placed on a blue background.
